

ONE FLESH: SEXUALITY, SCRIPTURE, AND THE CHURCH

Four – Week Video Study lead by Dr. Bob Kaylor from Tri-Lake UMC at MVUMC on Tuesday & Wednesday mornings and Wednesday evenings with Pastor Cherie facilitating.

Pastor Cherie invites you to join her in a four-week video study led by Dr. Bob Kaylor called One Flesh.

Starting the week of January 21st at MVUMC

Human sexuality is a major hot-button topic in both the culture and the church. The United Methodist Church denomination itself is facing a separation over different visions of sexuality, the authority of the Bible, and how to best represent God and minister with others in a sexually-charged culture. While the debate rages, many people struggle with questions: What does the Bible really say about sexuality and marriage? What about my loved ones who are same-sex attracted? How do we love people who are different from us and think and act differently than we do?

This four-week study is designed to deal with some of these questions and to address the world-views, arguments, and Scriptures that inform various perspectives on human sexuality. As we consider where God may be leading MVUMC in the midst of both denominational and cultural changes, Pastor Cherie believes it's important for us to discern together, read together, pray together, and explore human sexuality through the lens of Scripture, tradition, reason, and experience. Though we may all bring different perspectives to the table, our goal is to be a church that reflects the way of Christ and ministers to all people with care, compassion, and with the transforming power of the gospel.
