JUNE 2019

Offer H.O.P.E.

One of the key ways we develop new leaders is through the core process for carrying out our mission, as stated in our Book of Discipline (pg. 122).

We make disciples as we:

- Proclaim the gospel, seek, welcome and gather persons into the body of Christ;
- Lead persons to commit their lives to God through baptism by water and the spirit and profession of faith in Jesus Christ;
- Nurture persons in Christian living through worship, the sacraments, spiritual disciplines, and other means of grace. Send such as Wesley's Christian Conferencing;
- Send persons into the world to live lovingly and justly as servants of Christ by healing the sick, feeding the hungry, caring for the stranger, freeing the oppressed, being and becoming a compassionate, caring presence, and working to develop social structures that are consistent with the gospel; and
- Continue the mission of seeking, welcoming and gathering persons into the community of the body of Christ.

To better remember and understand the core process as it is written in our BOD on page 122, think in terms of H.O.P.E. – **H**ospitality, **O**ffer Christ, **P**urpose, and **E**ngagement. Through these discipleship paths of H.O.P.E., new disciples are made and sent out to reach even more people to bring into the body of Christ. We go into the world through outreach and mission, offering hope through proclamation of the gospel, seeking, welcoming, and gathering, as we offer **hospitality** to those not yet in the body. We **offer Christ** by providing opportunities for people to commit their lives to God through baptism by water and Spirit and profession of faith. We nurture people in Christian living to help them find a true sense of **purpose** in the life, learning what it means to live out their belief through acts of piety and acts of mercy, Christian conferencing, regular participation in the sacrament of Holy Communion, and other means of grace. Through **engagement**, we send out these grace filled followers of Jesus Christ who are putting their faith into action, helping to transform the surrounding community and offering **hospitality** in the name of Jesus Christ. Thus H.O.P.E. cycles back around.

Ask yourselves as leaders of this congregation how we (MVUMC) might become a place of hope. It is essential for us to have an intentional discipleship system like H.O.P.E. in place.
